

## Cooperation Agreement

Today 09 /05/2012, a delegation from Romania (Romanian companies working in the field of construction) is received by Kurdistan contractors union and Sulaimany chamber of commerce and industry.

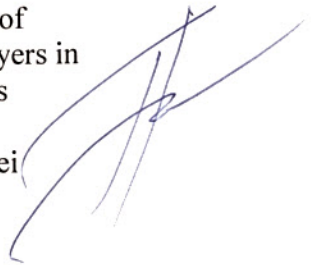

After meeting between Kurdistan contractors union and the delegation, all agreed on an arrangement to be worked on as the future plan, as follows:

- 1- Facilitate from both sides in arranging delegations and receiving delegations and organize meetings for the official delegations with local companies either in Romania or Kurdistan region.
- 2- Working in organizing exhibitions specially for contracting in cooperation between both sides.
- 3- Working to encourage the Romanian companies for the sake of investing their capital in the field of construction, bridges, water and sanitation and trading in building materials in Kurdistan region. Contractors union offers all kind of facilitation in order to get benefit for the local companies of Kurdistan region from the expertise and capacities of the Romanian companies.
- 4- Working in arranging at least two meeting and official visits.
